Welcome

The Sagemont Centre for the Arts welcomes you and/or your child to our program!

Since 2000, we have had hundreds of students just like you develop their skills in the arts. Our students are privileged to learn from some of the best teachers in the area. All of our teachers are committed Christians who live out their faith at home and at work, and each one strives to motivate and encourage our students in their arts education.

The Centre for the Arts teaches the arts so that students can become better worshipers.
