

# Noah's Ark

**Theme: Noah builds a Big Boat**

**Bible Verse: Whoever trusts in the Lord is kept safe.  
Proverbs 25:29b**

**Story:** “Build a big boat,” God said. Noah loved God. He would obey God. Look at the boat Noah is building! It is bigger than three houses.

## **Craft:**

Parents print out the Noah built the Ark picture and the tool sheet. Let the children color the tools and help them cut out some tools to glue to their picture. If they have older brothers and sisters, this could be a fun family craft.
