

# **Easter Sunday**

**Theme: Jesus Died and Now Lives**

**Bible Verse:** "Jesus died and was buried, and he rose again on the third day according to the scriptures." I Corinthians 15:3-4

**Story: Some Women Visit Jesus' Tomb**

There is an angel! Do you see it? The angel is talking to Jesus' friends.

"He has risen!" the angel says.

"Jesus is alive again! Come and see where His body was lying."

The women go into the tomb. The angel is right. Jesus is not there. He has risen from the dead.

Now there is another angel!

"Go and tell the good news," the angel says.

That's what the women will do.

**Craft:**
