

Mother's Day

Theme: Mothers

Bible Verse: Children, obey your parents in the Lord, for this is right. "Honor your father and mother"... Ephesians 6:1-2a

Story: Jesus Loves Children

Shhh. Do you hear what Jesus is saying?

"Let the children come to me," Jesus says.

The children are coming to Jesus. Do you see them?

They want to be with Jesus. Do you like to talk with Jesus? He wants you to. Remember to do that today.

He loves you.

Craft:

Parents print out the Mother's Day card. Help your child cut out and color the card. Let your child pick out a flower. Cut out the flower and glue to the top of the stem. Help your child sign their name at the bottom of the card. Fold the card accordion style on the dotted lines.
