

Miracles and Stories of Jesus

Theme: Jesus Heals

Bible Verse: " Jesus ... went about doing good."
Acts 10:38

Story: Down through the Roof

"Let us in!" four men shouted. "We want Jesus to heal our friend." But they could not get in.

You see the big crowd, don't you? That is why the men can't get into the house. So the men climbed onto the roof. They made a big hole. They let their friend down to Jesus. "I will heal your friend," Jesus said. And He did! "Thank You, thank You," said the four friends.

Craft:

Parents print out the Dr. bag and craft sheet. Help your child cut out the Dr. bag and the additional items to place on and in the bag. Fold the bag on the dotted lines to make the bag. Let the child color the cross red and help glue the cross on the outside of the bag and the Dr. label. Write the child's name on the label. Glue or tape 2 band aids, cotton balls, Q tips and Smarties on the inside of the bag. You can use your own medical supplies if available at home.
