Jesus Heals Craft

What You Need:
- heart shape
- 2 bandages (Band-Aid, Curad, store brand)
- crayons/markers/pens
- embellishments (stickers, pom-poms, sequins, etc)
- scissors/hole punch
- string/yarn

What You Do:
1. Cut out a large heart using the following pattern or cut one out yourself.
2. Take one bandage and place it horizontal in the middle of the heart.
3. Take the second bandage and place it vertically over the first bandage creating a cross.
4. Have your child outline the bandage cross with a crayon, marker, or pen.
5. Write JESUS HAS on the left side of the heart. ***
6. Write POWER TO HEAL on the right side of the heart. ***
7. Have your child decorate the heart.
8. Make two holes (one at each top of the heart) and tie the string/yarn to create a hanger.

*****Bandages can also be used for steps 5-6. Just write the words on top of the*****
bandages.
